20th Annual

A tournament benefiting the Interfaith Chapels of Bush Intercontinental Airport and William P. Hobby Airport.

HOUSTON AIRPORT INTERFAITH CHAPELS

Houston Interfaith Chapels Mission Statement

To provide a place of comfort, meditation, worship and aid for the traveling public.

The Interfaith Chapels have been part of the Houston Airport System since Bush Intercontinental Airport first opened. The idea for an airport chapel in Houston was inspired by Kathryn Claflin after visiting the Prayer Chapel in the New Orleans Airport in February, 1967. The first chapel at IAH opened to the public in Terminal B the day the new Houston airport opened on June 8, 1969.

Our current chapel at Bush IAH is in Terminal C and was dedicated in 1993. We are excited about the new chapel opening in Terminal D in the fall of 2011. The chapel at William P. Hobby Airport opened in August, 2005. Brett Jones is the Executive Chaplain for the Houston Airport System and is assisted by many ministers and volunteers to carry out the mission of the chapel—serving airport visitors and the airport community.

The Chapel strives to collect donations in order to continue its ministry. All gifts are tax-deductible as the Houston Airport Interfaith Chapels is a non-profit 501 (c) (3) organization.
